

**Drill Template for 14 x 11 x 5 Enclosure Mounting Holes**  
Place the template in the desired mounting location and mark the holes. Follow all applicable safety precautions when drilling. If necessary, drill pilot holes where you made your mark. If you will be using the wall anchors provided with your enclosure drill 3/8 inch holes. If you will be using the screws directly, drill 3/16 inch holes

### Printing Instructions

Print onto 8-1/2" x 11" paper. Select "Actual Size" or "100% Scale" when printing.
