## BMP-RKU1 Installation Guide

The BMP-RKU1 can be mounted either directly to the back of a television or inside a media cabinet using the included double-sided tape. For wall mounting, wall anchors and screws are also provided.

### Double Sided Tape

To use the included double-sided tape, firmly attach to the rear of the BMP-RKU1 as shown.

For wall mounting use the drill template below.

### Wall Anchors and Screw

Once the BMP-RKU1 is mounted, insert the Apple TV into the cradle as shown.

### Hook and Loop Strap

(Optional Step) For installations subject to vibrations, an optional hook and loop strap is provided to secure the Roku in the mounting cradle.

**Installation Note:** If attaching to surfaces such as glass, mirror and tile, be sure to clean surfaces first with alcohol wipes or glass cleaner

Place the template in the desired mounting location and mark the holes. Follow all applicable safety precautions when drilling. If necessary, drill pilot holes where you made your mark. If you will be using the wall anchors provided with your enclosure drill 3/16 inch holes. If you will be using the screws directly, drill 3/32 inch holes.

### Drill Template for Mounting Holes

### Printing Instructions

Print onto 8-1/2" x 11" paper. Select "Actual Size" or "100% Scale" when printing.
